Gangan with ease: Talkingdrum with ease.

**Recommended**By [blessed](#) on Oct 19, 2017

This is an awesome easy read on how to play the talking drum. It's great for beginners like me and people who are also professionals.

"Gangan with ease" talks about the history of the talking drum which is great for teachers like me to teach their students. I love how It has a lot of pictures so that you are able to teach yourself better. It teaches you not just how to play but how to tune the talking drum and how to take care of it. I am very excited about the book, I Highly recommend this for anyone who has the slightest thought of playing the talking drum.
